**Honolulu, Hawaii, U.S.A.**

Aloha! Recently we took a group of 167 delegates to Honolulu Hawaii!

Happily escaping the winter chill our group conferenced under the tropical sunshine, experienced the culture of Hawaiian hospitality at a traditional luau and finished off their trip with an amazing gala farewell dinner on board the retired war ship the USS Missouri!

On the way home all delegates agreed the best thing about conferencing in Honolulu was the choice of optional activities. The most popular things to do amongst our group included:

- Deep Sea Fishing
- Diamond Head Crater Hike
- Hawaiian Waterfall Hike
- Kualoa Ranch Tour
- Bargain hunting at Waikale outlet
- Pearl Harbour tour

- Blue Mosque visit - a grand Turkish icon
- Spice Market Shopping - hectic bargaining
- Turkish bath - must do for the definitive relaxation experience

### THE HOTTEST OF HOT LAPS HAS ARRIVED AND ITS ICE COLD!

Ice driving in Scandinavia has just overtaken everything as the coolest new MUST DO corporate activity. Perfect for rewarding staff or entertaining clients, who have likely been there and done it all, this ice track experience puts you and your clients/staff in the drivers seat of customised luxury cars like the Porsche 911, or the BMW M3 Power.

Cruising across the 2km frozen lake, instructors teach drivers about racing lines, how to study and tackle corners, and of course how to slide cars. Plus amongst some of the instructors are current motor sports competitors, up-and-coming rally drivers and former world champion drivers!

Two -day, two-car packages are the most popular, however this corporate activity is flexible and can be tailored to suit your corporate package brief. If you would like more information, or would like us to develop a corporate ice driving package that suits your group call Directions today
